

AFFIDAVIT OF RONALD CRIDER

I, Ronald Crider, being of sound mind and over the age of 18 years, testify as follows:

- 1) I am the Co-Chief Executive Officer ("CEO") of BizRadio Texas, LLC d.b.a BizRadio Network and BusinessRadio Network, LP ("BizRadio Network");
- 2) On November 25, 2009, I executed a five-year contract entitled "Brokered Programmer's Agreement" in the capacity of Co-CEO of BizRadio Network and at the approval of Mr. Daniel Sholom Frishberg, founder and Co-CEO of BizRadio Network;
- 3) BizRadio Network entered into the above agreement with Asia Vision, Inc. in order to essentially lease (with an option to own) the Houston AM Radio frequency of 1110 (KETK); in exchange, Asia Vision, Inc. paid \$180,000.00, which represented a deposit and lease payments covering the period of January 2010 through June 2010;
- 4) Today, at about 7:00 a.m., Mr. Frishberg took away Asia Vision, Inc.'s right to broadcast on AM 1110, and began broadcasting his own programming, thereby denying Asia Vision, Inc.'s ability to broadcast going forward;
- 5) I have discussed this matter with Mr. Frishberg and Mr. Albert F. Kaleta (President of BizRadio Network). They have failed to convey to me any reason whatsoever for their actions. Prior to 7:00 a.m. today, I repeatedly and strongly requested that Messrs. Frishberg and Kaleta not take these actions (that is, unjustifiably take the lessee Asia Vision, Inc. off the air), but was unsuccessful in doing so;
- 6) If asked, I would testify to these matters in Court because I have personal knowledge of the above.

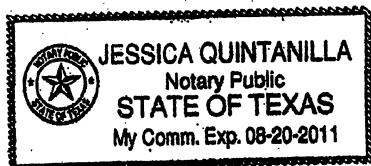

RONALD CRIDER

Co-Chief Executive Officer of BizRadio Texas, LLC d.b.a BizRadio Network and BusinessRadio Network, LP.
